# CONCESSION SERVICES

Concession services within the park are provided by Coral Reef Park Company, Inc. The concession offers a variety of activities designed to make your visit to John Pennekamp Coral Reef State Park both enjoyable and memorable. From glass bottom boat tours to snorkel and dive trips, young and old alike can marvel at the breathtaking beauty of nature's own "underwater garden." Of particular interest is the park's new glass bottom tour boat, "*Spirit of Pennekamp*", placed into operation in the Spring of 1999. This high speed, stable, air-conditioned catamaran offers a reef viewing experience as never before possible. An adventure to remember and cherish. The concession also offers motor boat, canoe, and kayak rentals for exploring on your own. If you've ever thought about SCUBA diving, check out the Dive Shop, a PADI 5-Star facility, where you can receive instruction on becoming a fully certified diver. Concession buildings open 8:00 a.m. - 5:00 p.m., daily. See our web page for additional information: <http://www.pennekamp.com>
