Welcome to the Jolly Roger Travel Park

in the heart of the fabulous Florida Keys – home to some of the best sunsets on the planet! We are conveniently located in the middle of the Florida Keys, making us a perfect destination spot to explore these amazing islands.

We're a one-hour drive from Key West, home of Hemingway and world-class restaurants. We're just 45 minutes from the world-famous John Pennecamp State Park where you'll find fish-covered coral reefs that provide some of the best snorkeling in the United States. Next door to the Jolly Roger is the world-famous Dolphin Research Center where you can swim with the dolphins!

Best of all, you don't have to travel anywhere to enjoy great boating, diving, fishing and sailing. You can snorkel right off the dock and along our seawall. Sombrero Reef, a federally protected section

of North America's only living coral barrier reef, lies just a few miles offshore. Beyond it are the deep blue waters of the Florida Straits, teeming with fish. On the north side of the island lie the calm waters of the Gulf of Mexico and Florida Bay.

The Jolly Roger Travel Park is a quiet, family-owned park that contains 160 + full hookup spaces covering 11 acres. Our sites are spacious, shady and grassy - a rare find in the Florida Keys. All of our RV spaces have 30 amp electrical service and most

have 50 amp service. We now offer large sites for those units that are generally 37 feet or longer and have a lot of toys. We offer two types of tent sites. Our tiki island is primitive camping right on the water. We also have interior sites with electric and water on your site. All of our full hookup sites offer cable TV and you can access the Internet through our high-speed hotspot at the office.

Our lighted, covered pavilion makes a perfect place for group gatherings. It's also a

great spot to catch one of those absolutely amazing sunsets! Let your pooch romp in our new, fully enclosed Bark Park. Our laundry facilities are clean and

are right next to our showers and rest rooms.

For your boating needs we have a 22 slip boat dock, a 12 slip harbor and free use of our boat ramp for registered guests.

We think our helpful, friendly staff is the best in the Keys and their goal is to make sure you have the best stay possible.

What are you waiting for?
